

FRIENDS OF DETWEILER PARK

Supporting Conservation, Preservation, & Recreation at Detweiler Park

Dear Friend:

We appreciate your interest in Dauphin County's Detweiler Park and we have some exciting news to share with you! We have officially formed the Friends of Detweiler Park organization, and we are extending to you this invitation to become a founding member today.

The mission of the Friends is to support and promote the preservation, recreation, and conservation of Detweiler Park as a natural area; to recruit volunteers to help with various park needs; and to increase appreciation and awareness of the environment and its benefits through education.

We have organized a board, elected officers and adopted a mission statement, but there is more work to be done. The Friends of Detweiler Park would like to begin implementing the site's Master Plan as well as develop and support special park events. In order to get off the ground running we need your help!

You can become a founding member of the Friends for as little as \$35 for a 12-month period, however we encourage you to join at a higher level if it fits your budget. Simply fill out the enclosed membership card and return it in the reply envelope along with cash or a check made payable to: *Friends of Detweiler Park.*

As you may already know Detweiler Park is a wonderful place of 411 beautiful acres stretching up Peters Mountain, seven miles of trails through fields and forests with bubbling stream, and a diverse ecosystem supporting a wide variety of flora and fauna. The park was born out of the generosity and compassion of the Stackpole and Detweiler families with the vision of preserving these lands in perpetuity. It now falls to us to do our part to make the most of it and continue this legacy.

With growth and development occurring all around us, here is your opportunity to help support and promote a group dedicated to preserving a unique and wonderful place. Join us as a Friend of Detweiler Park. Thank you for your continued support!
